

SAFETY: DROP-OFF & PARKING

DROP-OFF

There are two drop-off areas: One on Bogert Avenue and one on Fairfield Avenue

On Bogert Avenue - drop-off is in front of the school, after the island. Do not drop off at the island and do not block the driveway on either side of the island, as it must be accessible to school vans. During school hours, Bogert is one-way.

On Fairfield - drop-off is at the cut-out on the school side leading to the playground/ball field area. Fairfield is two-way at all times and parking is illegal on both sides of Fairfield north of Downs. Refer to the student drop-off map on the next page.

PARKING

If you plan to park your car to escort your child into school, you must leave the drop-off area and park beyond the school. Parked cars impede the flow of traffic and endanger the children.

Handicapped parking is available on both sides of the school for those with official credentials.

CROSSING GUARDS

Adult crossing guards are provided by the Ridgewood Police Department at the intersections of:

AM & PM

Fairfield & Downs

Fairfield & E. Glen Ave.

Fairfield & Franklin Tpke.

Fairfield & Meadowbrook

Meadowbrook & Van Dien
